Multimodal GenAI Knowledge Accelerator

IIElevenLabsGrants

Problem

CAs struggle in trainings and onboardings of teams

< 15% processes have proper manuals & how-to guides

'Non-billable' time block for seniors & poor retention in juniors

Constant process changes & employee churn amplifies problems

Leads to poor compliance and high error rates

Multimodal GenAI knowledge accelerator

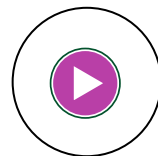

GenAI Document Maker

Create step-by-step user manuals in seconds, in any language & format

AI knowledge co-pilot

24x7 AI assistant that intelligently answers queries and recommends docs/videos

GenAI Video Creator

Instantly create multilingual videos from any complex document - no manual effort required

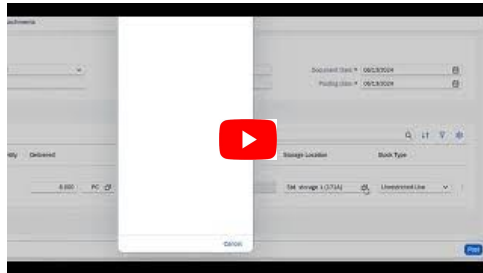

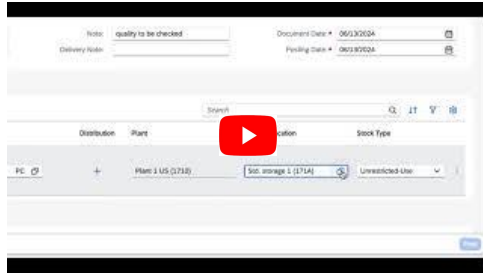

Content Library

On-demand access to curated learning videos, tailored to learner's expertise and projects

Demo

Professional & standardized content generated in seconds using GenAI

Walkthrough video of SAP Goods Receipt process
in English and Hindi
