

Audit Report

[Letterhead of the Audit Firm]

[Date]

To the Shareholders of [Company Name],

Introduction:

We have audited the financial statements of [Company Name], which comprise the balance sheet as at [Date], and the income statement, statement of changes in equity, and cash flow statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility:

Management is responsible for the preparation and fair presentation of these financial statements in accordance with [Applicable Financial Reporting Framework], and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility:

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with [Applicable Auditing Standards]. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

Audit Procedures:

We conducted our audit by obtaining audit evidence about the amounts and disclosures in the
